ACT 2006

Courses In Progress

If you are currently attending high school, please list the high school courses you will complete this year. Be sure to include the level of each course and the unit of credit each semester. (A one-unit, year-long course earns a .5 unit the first semester and a .5 unit the second.)
List dual enrollment courses in the college section.

If you are not currently taking courses, enter "NONE" in the first box below.

First Semester Senior Year

Course Title	Level	Units
AP ENGLISH LIT	Advanced Placement	1.0

CONTEMPORARY HISTC	International Baccalaureate	1.0
ANATOMY & PHYSIOLOC	Dual Enrollment	1.0

BASKETBALL	Regular Courses	0.5

Second Semester Senior Year

Course Title	Level	Units
DRAWING PAINTING	Regular Courses	1.0
PSYCHOLOGY	Regular Courses	0.5
SPEECH I	Regular Courses	0.5

In the section to the left, enter your senior year courses in progress. The column "Level" will allow you to choose AP, IB or Dual Enrollment. All AP, IB, and Dual Enrollment courses must be entered here.

Since Stanton's schedule is a combination of A/B Day courses as well as block courses, you have to try to fit them in as well as possible. AS LONG AS THE UNITS ARE CORRECT AND ADD UP TO 8, then UF will understand. Use the Second Semester for courses you will take in the Spring, as well as any A/B courses that you did not have room for in the first semester.
